

COME HAVE SOME FUN!

In 1924, Camp Barton was established at Taughannock Falls, a mile or two south of our present location at Frontenac Point on beautiful Cayuga Lake in the heart of New York's Finger Lakes. In the more than eighty years since then, thousands of Scouts have been a part of the Barton tradition of fun, Scouting and year-round activity. We moved to Frontenac in 1927, and the fun has continued on the lake and in the nearly 200 acres of woods and fields. Camp Barton is the perfect setting for your troop's next summer camp adventure, and will provide your Scouts with camping experiences which will be remembered for a lifetime.

program

HIGH ADVENTURE PROGRAM—JET SKIS

How the Program is set up:

Scouts will be able to take up to 3 merit badges while they are at Camp Barton. The merit badge sessions will be in the morning, from 9 AM until 12 PM.

Following lunch on Monday, there will be the first of two 4 hour training sessions to meet the NY State boating requirement necessary to operate a PWC. The class will be offered by the Ithaca Sail and Power Squadron. The second session will be Tuesday afternoon from 1 to 5 PM.

Upon completion of and passing the exam, the Scout will be awarded a certificate allowing them to operate a PWC. The Scout will be able to ride under supervision on Wednesday to Friday afternoon.

Lack of safety and reckless endangerment of individuals and/or PWC will not be tolerated. Any incident deemed unsafe will forfeit your right to operate a PWC. There will be no refund.

How the Class will be chosen:

Each PWC class will be made up of no more than 18 Scouts. A Scout must be 14 years of age to be able to take the class. The class will be filled from all applicants by age and date of application received. The class will be filled starting with 17 year olds, followed by 16 year olds, etc.

Adults are welcome to take the class.

Adults can take the certification class and receive the Boating Safety with PWC certificate.

Registration for PWC Certification

All registrations for PWC Certification must be made *prior to arrival* at Camp through the Council Camping Department at (607) 648-7888 x113.

Already have the PWC certification?

Any Scout or Adult who already has a Boating Safety Certificate with PWC must bring it to camp to ride the PWCs. A fee will be charged to use the PWC. Reservations and scheduling for this program can be made at the Camp Administration Building *on your arrival at camp*.

Name: _____

Address: _____

City: _____

State: _____

Phone: _____

Council: _____

Troop/Crew: _____
